Height: 42 cm (16.5")

Width: 55 cm (21.7")

Description

A very well painted classic English Folk art painting of figures playing by the pond with ducks and a rural cottage.

This style of painting would I'm sure have been painted by a country-trained painter, working for local clients and unlikely to have been an exhibiting artist.

The frame is the original antique frame and is an amazing handmade work of art on its own.
