

English 19th century marine scene

J.H Watson

\$2,150

REF: 2165

Height: 30.47 cm (12")

Width: 40.62 cm (16")

Description

Well painted English 19th century sea scape. Possibly, either a view of the North Sea or the English Channel, Watson was known to paint in both areas. His work is very similar to the paintings of William Thornley and James Webb.

This painting has been recently cleaned and reframed in the UK. It is in good condition.
