

19th century English landscape with a cottage, pond, trees at sunrise or sunset

\$2,760

REF: 2365

Height: 43.18 cm (17")

Width: 53.45 cm (21")

Description

Wonderful early to mid 19th century English Cottage landscape.

Oils on an oak wooden panel, this piece has a great feel and quality.

Framed in its original frame this piece is an exceptional example of pre-Victorian landscape painting, with the well-painted observation of the light on the pond, sky, and the light through the trees.
