

Portrait of an English Bagger in a Landscape.

\$1,850

REF: 2431

Height: 50.8 cm (20")

Width: 40.64 cm (16")

Description

Portrait of an English Bagger in an extensive landscape.

Very Pretty English Otter, in an extensive landscape, painted circa 1970.

The painting is an amazing display of an artist, who has captured the animal with great effect.

The painter seems to have been a specialist in animal paintings in and around the 1970's in the UK.

This piece came from a private collection of the artist's work.

It is in excellent condition and is still framed in its original frame.
